Asthma Van/Mobile Care

Nurse Johnson is sending home a Respiratory Health Survey. Even if your child does not need the services, it is necessary for this form to be completed. This will allow our school to continue receiving services from the Mobile Care Foundation. Nurse Johnson is also still waiting for parents to turn in inhalers and physicians forms for our asthmatic students. Otherwise, you must sign the form indicating that your child does not need an inhaler so they may attend field trips.
