This week's Cool Tool is being A GOOD CITIZEN

Featured Classroom of the Week—1B

Mrs. Capinegro & Ms. Le-noir's first grade class is excited about starting second quarter! We have been working hard to remember the seven continents, and now we will be discovering the life of people in early

civilizations. We continue to work on our addition facts, and we have been practicing writing complete sentences to describe different things. We are excited about making Washington Park a greener

school, so we are eager to start recycling on Monday.
